Abbey Tree Services was established in 2009 and is owned and managed by Mark O'Connor and Liam McQuaid.

They have a proven and successful record in providing arboriculture and consultancy services to a wide range of commercial companies, government bodies and local authorities, including Sligo County Council.

Abbey Tree Services is fully insured for domestic, commercial and utility timber cutting and provide all aspects of tree maintenance, tree care, removals felling, shaping and pruning, tree reduction, wood chipping service, overgrown hedge, domestic and forestry cutting.

Summer can be hard on trees. With heat, they might be under confine-

ment and captivity. Maintenance in September and October will prevent winter troubles.

The late dormant season is the best for most pruning. Poorly maintained trees are more of a liability than an asset. Pruning and removing trees, especially large ones, is dangerous and must only be carried out by fully trained and qualified tree surgeons.

"At Abbey Tree Services, we take great pride in having the most highly skilled tree surgeon specialists on all job sites, giving customers the best service possible."

With many years of experience in tree surgery and garden services, Abbey can look after your garden to keep it safe and looking perfect.

"We use the latest and highest quality tree surgery techniques and equipment to maintain

the health of the trees. We are respectful of your trees and will try our very best to save a tree instead of taking it down."

Abbey guarantees that each tree will be individually treated taking into consideration shape, size, species of tree, etc.

Abbey Tree Services is an approved contractor for ESB, Coillte, and the OPW, and is a business known for the quality, speed, and professionalism of its tree services.

The team are always on hand to offer advice and guidance. Your requirements and budget are considered with competitive rates. For consultation and quotation call 086 1597 628 or 086-221 5570 or email mark@abbeytreeservices.ie

With hundreds of satisfied customers, quality is guaranteed, assistance and professionalism at all times!
